

M6 Pico Projector

INTRODUCING

1920 x 1080 Resolution 1080P Battery Powered Projector

An ultra-portable & light weight projector of **1200 Lumens**

THE BEST IN CLASS RESOLUTION

The AAXA M6 LED Micro Projector is a next-generation solid-state mini projector that delivers native 1080P (1920x1080) performance and operates on both battery and DC power. This small-form-factor high resolution projector features DLP's (Digital Light Processing) imager mated to true cinema-color 30,000 Hour LEDs. The M6 produces a brilliant 1200 LED Lumen picture at a true native 1920x1080 pixel resolution.

Bright 1200 Lumens

90 Minute Li-Ion Battery
