Wanbo X5S

EAN/UPC:B0H4V1ZM72

WANBO X5S

Brief Introduction Beta 2.5	The X5S LED LCD projector from Wanbo has 1,100 ANSI lumens, a contrast ratio of 3,000:1, and an HDTV resolution of 1,920 x 1,080. Thanks to its LEDs, the projector has a light source lifespan of up to 20,000 hours, which would equate to over 13.7 years at 4 hours of use per day. Horizontal and vertical keystone correction provides flexibility during setup. An image width of up to 337 cm is possible, as the projector has 1,100 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 225 cm. Since the projector recognizes AirPlay, Miracast, and Screen Mirroring signals, it is possible to stream high-resolution videos with surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) via Wi-Fi. In addition, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. The model is also compatible with Full HD 1080p and 4K (compressed). With an operating noise level of just 26 decibels, the projector operates quietly.
Display Type	1 x LCD TFT Panel HDTV 16/9 Liquid Crystal Display
Projector Ansi-Lumen	1100
Contrast	3000:1
Black Level	0,3667 min. Lumen
