

AVANZA WX40UST

AVANZA WX40UST

A brief introduction to the AVANZA WX40UST. The short-throw LCD laser projector has a WXGA 1280 x 800 resolution and a contrast of 100000:1. The manufacturer AVANZA specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. Even 1080P video signals are no problem for the projector. The projector is no longer sold by the manufacturer.
