

Benq MH856UST

BENQ MH856UST

A brief introduction to the Benq MH856UST. The DLP projector has an HDTV 1920 x 1080 resolution and a contrast of 10000:1. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector only needs to be 70 cm away from the screen. A smartphone with an MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. The projector can also play 1080P and 3D without any problems. The projector was launched in 2015 and is no longer sold by the manufacturer, but is still a popular projector in our database.

Brief Introduction

Beta 2.5

Display Type

1 x 0,55" DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 3500
