

Acer U5520B

ACER U5520B

The short-throw U5520B 3D BrilliantColor DLP has 3000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. As it is a short-throw projector, the projector can be positioned very close to the wall. For a 2 m wide picture, the projector needs to be just 72 cm away from the screen. As the U5520B is equipped with a microphone jack and 10W speakers, no additional audio system is required for presentations or training courses. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). The projector can also play 1080P and 3D without any problems. It was launched in 2015 and is no longer offered by the manufacturer Acer.

Brief Introduction Beta 2.5

Display Type

 1 x 0,65" DC3 DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 3000 / 2400 im Eco Mode Screen 1200 Lux (bei 200 cm Screen)
