The H6560 at a glance: The Acer standard portable DLP projector offers 5200 ANSI lumens, a contrast ratio of 18000:1, and HDTV 1920 x 1080 resolution. With a brightness of 5200 ANSI lumens, an image width of 733 cm is possible. The projector can also handle slightly brighter rooms with a smaller image width (we recommend a maximum of 489 cm). Playing 1080P is also no problem for the projector.
