

Acer U5530

ACER U5530

The Acer U5530 short-throw 3D BrilliantColor DLP projector has 3000 Ansi lumens, a contrast of 18000:1 and HDTV 1920 x 1080 resolution. With a projection ratio of just 0.25:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 50 cm away from the screen. As the U5530 is equipped with a microphone jack and 16W speakers, no additional audio system is required for presentations or training sessions. Playing 1080P and 3D is also no problem for the projector. This model is no longer offered by Acer.
