

Acer X134PWH

ACER X134PWH

Brief Introduction

Beta 2.5

The X134PWH 3D BrilliantColor DLP has 3400 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The lamp life is specified by the manufacturer as 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. A picture width of up to 592 cm is possible. However, the picture should be smaller in room light. We recommend max. 395 cm. Even 1080P video signals are no problem for the projector. The projector was launched in 2016 and is no longer sold by the manufacturer.
