

# Acer X1629HK

ACER X1629HK

With the X1629HK, manufacturer Acer offers a standard portable DLP projector with HDTV 1920 x 1080 resolution and a contrast of 10000:1. An image width of up to 682 cm is possible as the projector has 4500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. Video signals 1080P and 3D are also no problem for the projector.
