

Aiptek PocketCinema V60

A I P T E K P O C K E T C I N E M A V 6 0

Brief Introduction

Beta 2.5

The game portable Aiptek PocketCinema V60 LED DLP projector has 50 Ansi lumens, a contrast of 1000:1 and a VGA 640 x 480 resolution. The lifespan of the LEDs is 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The integrated media player can play files directly. Thanks to the built-in rechargeable battery, the projector does not require a power supply for 1 hour, allowing it to be set up spontaneously and easily anywhere. The projector was launched in 2013 and is no longer sold by the manufacturer, but is still very popular in our projector database.
