

Akiyo O1

AKIYO O1

The Akiyo O1 Game-Portable LED LCD projector has 120 Ansi-Lumen and a HDTV 1280 x 720 resolution. The manufacturer specifies an LED service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. 120 Ansi lumens ensure that a picture width of 111 cm is also possible. However, if room light is available, the picture should be max. 74 cm wide. The projector has Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via WLAN. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Playback of 1080P is also no problem for the projector.
