C110

Exceptional video quality for work and beyond.

True Excitement

The new ASK Proxima® C110 is the first digital projector in the ASK Proxima line designed to deliver great performance during the workday and shine on into an entertaining evening. The C110 marks the spot where valuable business tools and versatile performance options converge into a projector of exceptional quality. At work, school, or anywhere else you want to share information.

True Digital Video Quality

You get more out of your meeting room projector with the true digital video quality the ASK Proxima C110 offers. With the C110, you can enjoy crisp images and full color, whether you're looking at this year's numbers or the year's best picture. The latest digital processing technology (DLP™) from Texas Instruments® provides a stunning 2000:1 contrast ratio and automatic deinterlacing, for smooth, true-to-life images that jump off the screen and pull your audience in. Impress your audience during the workday, and your friends and family in the evening with 1500 lumens of brightness. And with a 3000-hour lamp life, you can count on a viewing experience that will last a lifetime.

True Connectivity

The C110 ensures you can connect and perform no matter where you are. Connect your laptop, PDA, DVD player, cable or satellite TV system, digital camera, or game console for versatile viewing from a variety of sources. And, when you're ready for wireless freedom, the C110 is compatible with the InFocus® LiteShow® wireless solution for a smooth show without the cables.

True Ease of Use

Like all ASK Proxima projectors, the C110 is designed for easy set up and use. Get started right away with intuitive keypads and menus. One simple keypad delivers one-touch operation, so there's no need to refer to the user manual for common tasks; just scroll through the menu and select. Hooking up is simple with color-coded connections. And, at a mere, 6.8 lbs/3.1 kg, the C110 is super-portable, making it easy to carry from work and beyond.

Get more out of your meeting with true digital video quality.

Use the C110 for versatile viewing beyond work.
