

ASK Proxima E1600

ASK PROXIMA E1600

A brief introduction to the E1600: The ASK Proxima LCD projector offers 6000 Ansi lumens, a contrast of 1500:1 and an XGA 1024 x 768 resolution. The manufacturer ASK Proxima specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. Includes a lens shift and keystone correction function, which provides freedom during installation. 6000 Ansi lumens ensure that a picture width of 675 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 450 cm. The model built in 2011 is no longer offered by ASK Proxima.
