The short-throw S3307 LCD projector from ASK Proxima has 3000 Ansi lumens, a contrast of 4000:1 and an XGA 1024 x 768 resolution. The manufacturer ASK Proxima specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. This projector has a projection ratio of just 0.47:1. For a 2 m wide image, the projector only needs to be 94 cm away from the screen. If the image width is not sufficient, the projector offers integrated edge blending software, which allows several projectors to project a large image together. On the market since 2014, the model is no longer offered by the manufacturer ASK Proxima.
