

AuKing H10

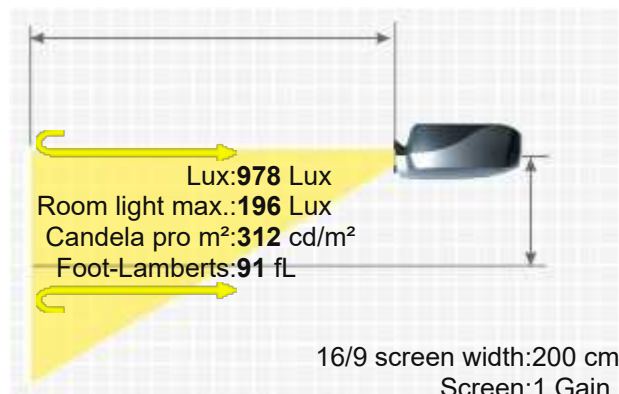

AU KING H10

Brief introduction to the AuKing H10. The standard portable LCD LED projector has an HDTV 1920 x 1080 resolution and 2200 ANSI lumens. It is an LED projector with a light life of 30,000 hours, which equates to over 20.5 years at 4 hours per day. An image width of up to 477 cm is possible because the projector has 2200 ANSI lumens. However, if there is ambient light in the room, the image should be no more than 318 cm wide. The projector has Airplay and Miracast screen mirroring support, which allows high-resolution videos and surround sound to be played directly from smartphones, tablets, and PCs running Android, Windows, or iOS via Wi-Fi. In addition, the Bluetooth capability is a useful addition to the projector, especially for wireless audio transmission. The projector can also play 1080P and 4K (compressed) content without any problems.

Brief Introduction Beta 2.5

Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	2200
Contrast	-
Black Level	-
Offset	-
Resolution	HDTV 1920 x 1080 2.073.600 Pixel
