

AuKing K3

EAN/UPC:B0H9QLDCKD

AU KING K3

The AuKing K3 LED LCD projector has 1,500 ANSI -lumen and an HDTV resolution of 1920 x 1080. The manufacturer, AuKing, specifies a lifespan of 30,000 hours, which would equate to over 20.5 years based on four hours? viewing per day. Horizontal and vertical keystone correction ensures that setting up the image is child?s play. Thanks to its brightness of 1,500 ANSI lumens, an image width of 393 cm is possible. In well-lit rooms, the image should be no more than 262 cm wide. The projector supports AirPlay and Miracast screen mirroring, enabling high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. It is also compatible with Full HD 1080p and 4K (compressed). At 27 decibels, the projector is very quiet compared to others.
