

# Barco SLM R10 Executive

BARCO SLM R10 EXECUTIVE

## Brief Introduction

Beta 2.5

The SLM R10 Executive DLP projector from Barco has 10000 Ansi-Lumen, a contrast of 800:1 / 1600:1 High Contrast Mode and a SXGA 1280 x 1024 resolution. The projector also offers a lens shift function for flexible projection adjustment without loss of quality. 10000 Ansi lumens ensure that an image width of 847 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 565 cm. In the event that the image is still too small, the projector offers integrated edge blending software, which allows several projectors to project a large image together. The projector was launched in 2003 and is no longer sold by the manufacturer. It should also be noted that, unfortunately, there are no longer any replacement lamps for the projector, neither originals nor replicas.

## Display Type

3 x DLP DMD Chip  
SXGA 5/4 Ti Digital Light Processing Chip

## Ansi-Lumen

Projector 10000

Screen 3033 Lux (bei 203 cm Screen)

## Contrast

800:1 / 1600:1 High Contrast Mode

Screen 800:1 / 1600:1 High Contrast Mode

## Black Level

6,2500 min. Lumen

Screen 3.799 min. Lumen

## Lens shift

Vert.: +50% -12,5% Hori.: +/-32,5% motorisch max.
