

Benq MS527E

BENQ MS527E

Brief Introduction

Beta 2.5

A brief introduction to the Benq MS527E. The standard portable DLP projector has an SVGA 800 x 600 resolution and a contrast of 13000:1. The lamp is specified with a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours a day. The projector can illuminate an image width of up to 500 cm well thanks to its 3300 Ansi lumens. In room light, however, the image width should ideally be less than 333 cm. Video signals 1080P and 3D are also no problem for the projector. The projector was launched in 2016 and is no longer sold by the manufacturer.

Display Type

1 x DLP Chip
