The MX560C 3D DLP projector from Benq has 4000 ANSI lumens, a contrast ratio of 20000:1, and an XGA 1024 x 768 resolution. The projectors lamp has a specified lamp life of 10,000 hours, which equates to over 13.7 years at 2 hours per day. An image width of up to 551 cm is possible; if the image width is smaller (we recommend a maximum of 367 cm), rooms with residual light are also no problem. Furthermore, the projector can play 1080P without any problems.
