

Benq MX842UST

BENQ MX842UST

The Benq MX842UST model is a DLP projector with XGA 1024 x 768 resolution and a contrast of 13000:1. The manufacturer states a lamp life of 3500 hours, which is over 4.8 years if enjoyed for two hours a day. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 94 cm away from the screen. Even 1080P video signals and 3D are no problem for the projector. The projector was launched in 2014 and is no longer sold by the manufacturer.
