A brief introduction to the LED HD projector: The Bewinner LED LCD projector offers 108 Ansi lumens and a WVGA 800 x 480 resolution. The manufacturer Bewinner specifies a service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. The integrated media player can play files directly. As Bewinner specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. Furthermore, the projector can play 1080P without any problems.

1 x 4" LCD Panel
WVGA 16/9 Liquid Crystal Display
