

Boxlight Boston X28NST

BOXLIGHT BOSTON X28NST

Brief Introduction

Beta 2.5

A brief introduction to the Boston X28NST: The boxlight short-throw LCD projector offers 2800 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. With a projection ratio of just 0.615:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 123 cm away from the screen. Furthermore, the projector can play 1080P without any problems. On the market since 2013, the model is no longer offered by the manufacturer Boxlight. Unfortunately, we can no longer offer a replacement lamp for this model, neither original nor replica.
