

Byintek Cloud C500WST

BYINTEK CLOUD C500WST

The Cloud C500WST LCD projector from Byintek has 3300 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The lamp life is up to 10,000 hours, which is equivalent to over 13.7 years at 2 hours per day. With the lens shift function, the projector can be positioned very freely. Thanks to the short-throw projection ratio of just 0.46:1, the projector does not stand in the room. For a 2m wide image, the projector only needs to be 92 cm away from the screen. In the event that the image is still too small, the projector offers integrated edge blending software, which allows several projectors to project a large image together. Even 1080P video signals are no problem for the projector.

 3 x 0,64" LCD TFT Panel
XGA 4/3 Liquid Crystal Display
