

Canon XEED WUX400ST

CANON XEED WUX400ST

Brief Introduction

Beta 2.5

The XEED WUX400ST LCOS projector from Canon has 4000 Ansi lumens, a contrast of 2000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer specifies a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. With the lens shift function, the projector can be positioned very freely. Thanks to the short-throw projection ratio of just 0.56:1, the projector does not stand out in the room. For a 2m wide image, the projector only needs to be 112 cm away from the screen. Playing 1080P is also no problem for the projector. The model was built by Canon in 2013 and is no longer current.
