

# Casio XJ S43W

CASIO XJ S43W

## Brief Introduction

Beta 2.5

With the XJ S43W, manufacturer Casio offers a DLP projector with WXGA 1280 x 800 resolution and a contrast of 1800:1. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The projector can illuminate an image width of up to 508 cm thanks to its 2500 Ansi lumens. In room lighting, however, the picture width should ideally be less than 339 cm. 1080P playback is also no problem for the projector. It was launched in 2009 and is no longer offered by the manufacturer Casio.
