

Casio XJ-UT351W

EAN/UPC:889232800431

CASIO XJ-UT351W

The short-throw XJ-UT351W laser DLP projector from Casio has 3500 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The manufacturer Casio specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. With a projection ratio of just 0.28:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 56 cm away from the screen. As the XJ-UT351W is equipped with a microphone jack and 16W speakers, no additional audio system is required for presentations or training sessions. Even 1080P playback is no problem for the projector. It was launched in 2017 and is no longer offered by the manufacturer Casio.

 1 x 0,65" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Projector	3500	Screen	1400 Lux (bei 200 cm Screen)
