

Christie Inspire DWU960ST-iS

CHRISTIE INSPIRE DWU960ST-iS

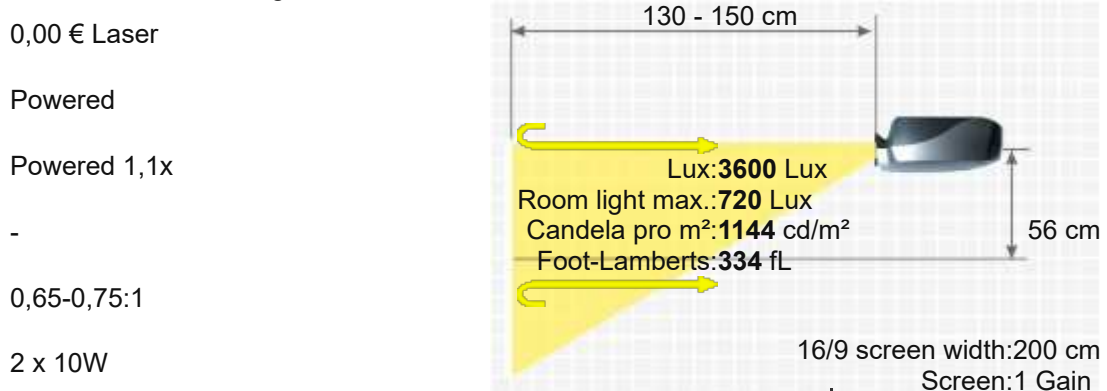

The Inspire DWU960ST-iS laser DLP projector from Christie has 8100 Ansi lumens, a contrast of 1300000:1 and a resolution. The lifespan of the laser is 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The integrated lens shift gives freedom when positioning the projector. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 130 cm away from the screen. If the image is still too small, the integrated edge blending software can help to project a large image with additional projectors. The model is also Full HD 1080P and 4K (compressed) compatible.

1 x 0,67" DMD DLP Chip S600HB
WUXGA 16/9 Ti Digital Light Processing Chip

Projector	8100	Screen	3600 Lux (200 cm Screen width)
