

CineVersum BlackWing Four MK 2011

Brief Introduction

Beta 2.5

The high-end home cinema BlackWing Four MK 2011 DILA projector from CineVersum has 900 Ansi lumens, a contrast of 70000:1 and an HDTV 1920 x 1080 resolution. The built-in lens shift function provides freedom when setting up. A picture width of up to 305 cm is possible. However, the picture should be smaller in room light. We recommend a maximum of 203 cm. Furthermore, the projector can play 1080P without any problems. The projector is very quiet compared to other projectors with an operating noise of 19 decibels. On the market since 2011, the model is no longer offered by the manufacturer CineVersum.

Display Type

3 x 0,7" D-ILA Chip
HDTV 16/9 Direct-Drive Image Light Amplification (D-ILA)
