

CineVersum BlackWing Essentials MK2016

BLACK WING 3D

The high-end home cinema BlackWing Essentials MK2016 3D DILA projector from CineVersum has 1300 Ansi lumens, a contrast of 60000:1 and a UHD (4K2K) 3840 x 2160 resolution. Manufacturer CineVersum specifies the lamps service life as 10000 hours, which converts to over 13.7 years at 2 hours per day. Including a lens shift and keystone correction function, which provides freedom during installation. 1300 Ansi lumens ensure that a picture width of 366 cm is also possible. However, if room light is available, the picture should be a maximum of 244 cm wide. Playback of 1080P and 4K as well as 3D is also no problem for the projector, meaning that all Blu-ray formats currently on offer can be recognized by the projector. At just 20 decibels, the device is one of the quieter projectors. It was launched on the market in 2016 and is no longer offered by the manufacturer CineVersum.
