

CineVersum BlackWing Essential MK2019

BLACK WING 3D

The CineVersum model BlackWing Essential MK2019 is an LCOS projector with UHD (4K2K) 3840 x 2160 resolution and a contrast of 1300000:1. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. With the lens shift function, the projector can be positioned very freely. Thanks to the brightness of 1900 Ansi lumens, a picture width of 443 cm is possible. In room light, the picture should be max. 295 cm wide. Furthermore, the projector can play 1080P and 4K as well as 3D without any problems, and therefore all currently available Blu-ray formats can be recognized by the projector. With an operating noise of just 20 decibels, the model is already very quiet compared to others. On the market since 2019, the model is no longer offered by the manufacturer CineVersum.
