

Coolid C5

EAN/UPC:B0G2C981H5

COOLID C5

Brief introduction to the Coolid C5. The LCD LED projector has an HDTV resolution of 1920 x 1080 and a contrast ratio of 1000: 1. Thanks to the LEDs, the projector has a lifespan of 30,000 hours which equates to over 20.5 years if used for four hours a day. With its 400 ANSI lumens, the projector can effectively illuminate an image width of up to 174 cm. However, in room lighting, the image width should ideally be less than 116 cm. Thanks to the built-in Android TV software, it offers direct access to a wide variety of streaming services such as Netflix, Disney+, Amazon Prime Video, and YouTube, as well as games and other interactive content. The projector supports AirPlay and Miracast screen mirroring, allowing you to stream high-resolution videos and surround sound directly from smartphones, tablets, and PCs running Android, Windows, or iOS via Wi-Fi. Another notable feature is that the projector's Bluetooth function allows it to connect to external wireless speakers. It is also Full HD 1080p compatible.
