

# Crosstour S100

CROSSTOUR S100

The S100 LED DLP projector from Crosstour has 100 Ansi lumens, a contrast of 2000:1 and a WVGA 800 x 480 resolution. The service life of the LEDs is 40,000 hours, which is over 27.4 years if enjoyed for four hours a day. 100 Ansi lumens ensure that a picture width of 102 cm is also possible. However, if room light is available, the picture should be max. 68 cm wide. Thanks to the built-in 3000mAH battery, no power supply is required, allowing the projector to be set up quickly and flexibly. Playing 1080P is also no problem for the projector. The model was built by Crosstour in 2019 and is no longer current, but is still one of the very popular projectors.

1 x DLP Chip  
WVGA 16/9 Ti Digital Light Processing Chip

Projector	100	44 Lux (bei 200 cm Screen)
	2000:1	2000:1
