

Digislide Sii

Brief Introduction

Beta 2.5

The Digislide Sii LCOS projector has 200 Ansi lumens and an SVGA 800 x 600 resolution. 200 Ansi lumens ensure that a picture width of 123 cm is also possible. However, if room light is available, the image should be a maximum of 82 cm wide. The projector was launched in 2013 and is no longer sold by the manufacturer, but is still very popular in our projector database.

1 x LCoS Panel
SVGA 4/3 Liquid Crystal on Silicon (LCOS)
