

# Digital Projection E Vision WXGA 7000

## Brief Introduction

Beta 2.5

The Digital Projection E Vision WXGA 7000 stationary DLP projector has 7000 Ansi lumens, a contrast of 2400:1 and a WXGA 1280 x 800 resolution. Includes a lens shift function, which provides freedom during installation. The projector can illuminate an image width of up to 850 cm thanks to its 7000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 567 cm. Even 1080P video signals are no problem for the projector. The projector was launched in 2013 and is no longer sold by the manufacturer.
