

Digital Projection M Vision LED 1000 WUXGA

Brief Introduction

Beta 2.5

The Digital Projection M Vision LED 1000 WUXGA LED BrilliantColor DLP home cinema projector has 1000 Ansi lumens, a contrast of 10000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer Digital Projection states a service life of 60,000 hours, which is over 41.1 years with a daily viewing time of 4 hours. Including a lens shift function, which provides freedom during installation. An image width of up to 321 cm is possible as the projector has 1000 Ansi lumens. However, if room light is available, the image should be max. 214 cm wide. Even 1080P video signals are no problem for the projector. The operating noise of just 30 decibels makes the projection quiet. It was launched in 2015 and is no longer offered by the manufacturer Digital Projection.
