

Dukane ImagePro 8142WSS

EAN/UPC:605194006847

DUKANE IMAGEPRO 8142WSS

A brief introduction to the Dukane ImagePro 8142WSS. The LCD laser projector has a WXGA 1280 x 800 resolution and a contrast of 500000:1. Thanks to the laser technology, the projector has a light life of up to 20000 hours, which is equivalent to over 13.7 years at 4 hours per day. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. With a projection ratio of just 0.3:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 60 cm away from the screen. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). 1080P playback is also no problem for the projector. This model is no longer offered by Dukane.
