

# Dukane ImagePro 8928C

EAN/UPC:605194005543

The standard portable Dukane ImagePro 8928C LCD projector has 2700 Ansi lumens, a contrast of 10000:1 and an XGA 1024 x 768 resolution. The lamp life is specified by the manufacturer as 10000 hours, which converts to over 13.7 years at 2 hours per day. Includes an integrated media player with which files can be played directly. Horizontal and vertical keystone correction makes setting up the image childs play. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training sessions. 2700 Ansi lumens ensure that a picture width of 453 cm is also possible. However, if room light is available, the picture should be max. 302 cm wide. Playing 1080P is also no problem for the projector. It was launched in 2017 and is no longer offered by the manufacturer Dukane.

Projector	3 x 0,63" LCD TFT Panel mit MLA
