

Dukane ImagePro 8950WSS

EAN/UPC:605194006878

DUKANE IMAGEPRO 8950WSS

With the ImagePro 8950WSS, manufacturer Dukane offers a DLP laser projector with WXGA 1280 x 800 resolution and a contrast of 500000:1. The service life of the laser is 20000 hours, which is equivalent to over 13.7 years at 4 hours per day. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate images up to 718 cm wide thanks to its 5000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 479 cm. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. 1080P playback is also no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection. It was launched in 2018 and is no longer offered by the manufacturer Dukane.

1 x DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Projector	5000	Screen	2000 Lux (bei 200 cm Screen)
