

Eroshoo Beamer 4K WiFi Bluetooth

EROSHOO BEAMER 4K WIFI BLUE

Brief Introduction

Beta 2.5

The Eroshoo model Beamer 4K WiFi Bluetooth is a DLP LED projector with HDTV 1920 x 1080 resolution and a contrast of 2000:1. Manufacturer Eroshoo specifies a service life of 30000 hours, which converts to over 20.5 years at 4 hours per day. An image width of up to 249 cm is possible as the projector has 600 Ansi lumens. However, if room light is available, the picture should be max. 166 cm wide. Another extra is that the Bluetooth function allows the projector to be connected to external wireless speakers. Video signals 1080P and 4K (compressed) are also no problem for the projector. The operating noise of just 30 decibels makes the projection quiet.

Display Type

1 x DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

600

Contrast

2000:1 full on/off

Black Level

0,3000 min. Lumen

Offset
