

Eiki EIP W4600

EIKI EIP W4600

A brief introduction to the Eiki EIP W4600. The standard portable DLP projector has a WXGA 1280 x 800 resolution and a contrast of 2200:1. 4600 Ansi lumens ensure that a picture width of 689 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 459 cm. Playing 1080P is also no problem for the projector. This model is no longer offered by Eiki.
