Operating Noise

The standard portable Eiki LC SE10 LCD projector has 3000 Ansi lumens, a contrast of 500:1 and an SVGA 800 x 600 resolution. The horizontal and vertical keystone correction provides leeway when setting up. A picture width of up to 477 cm is possible. However, the picture should be smaller in room light. We recommend max. 318 cm. The projector was launched in 2003 and is no longer sold by the manufacturer.

3 x 0,99 LCD TFT Panel
