

Electrohome VistaGRAPHX 5000

Brief Introduction

Beta 2.5

The Electrohome VistaGRAPHX 5000 DLP projector has 5000 Ansi lumens, a contrast of 400:1 and an XGA 1024 x 768 resolution. A picture width of up to 616 cm is possible, if the picture width is smaller (we recommend max. 411 cm), rooms with residual light are also no problem. This model is no longer offered by Electrohome. It should also be noted that there are unfortunately no more replacement lamps available for this projector, neither originals nor replicas.
