

Epson EB G5100

EPSON EB G5100

Brief Introduction

Beta 2.5

With the EB G5100, manufacturer Epson offers a standard portable LCD projector with XGA 1024 x 768 resolution and a contrast of 1000:1. The integrated lens shift gives freedom when positioning the projector. An image width of up to 551 cm is possible, if the image width is smaller (we recommend max. 367 cm), rooms with residual light are also no problem. It is also Full HD 1080P compatible. This model is no longer offered by Epson.
