

Epson EB-2245U

EPSON EB-2245U

Brief Introduction

Beta 2.5

The Epson EB-2245U standard portable LCD projector has 4200 Ansi lumens, a contrast of 15000:1 and a WUXGA 1920 x 1200 resolution. The lamp in the projector is specified with a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. Thanks to the brightness of 4200 Ansi lumens, a picture width of 658 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 439 cm). The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from a smartphone while it is being charged at the same time via the connection. The model is also Full HD 1080P compatible. This model is no longer offered by Epson.

Display Type

3 x 0,67" LCD TFT Panel
WUXGA 16/9 Liquid Crystal Display
