

Epson EB 525W

EPSON EB 525W

Brief Introduction

Beta 2.5

A brief introduction to the Epson EB 525W. The short-throw LCD projector has a WXGA 1280 x 800 resolution and a contrast of 16000:1. The manufacturer specifies a lamp life of 5000 hours, which is over 6.8 years if enjoyed for two hours a day. The integrated media player can play files directly. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. Thanks to the short-throw projection ratio of just 0.48:1, the projector is also not distracting in the room. For a 2m wide image, the projector only needs to be 96 cm away from the screen. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training sessions. Furthermore, the projector can play 1080P without any problems. This model is no longer offered by Epson.

Display Type

3 x 0,59" LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Ansi-Lumen
