

Epson EB 535W

EPSON EB 535W

The short-throw Epson EB 535W LCD projector has 3400 Ansi lumens, a contrast of 16000:1 and a WXGA 1280 x 800 resolution. The lamp has a service life of up to 5000 hours, which is equivalent to over 6.8 years at 2 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. This projector has a projection ratio of just 0.48:1. For a 2 m wide image, the projector needs to be just 96 cm away from the screen. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training sessions. Even 1080P playback is no problem for the projector. It was launched on the market in 2014 and is no longer offered by the manufacturer Epson.

 3 x 0,59" LCD TFT Panel
WXGA 16/10 Liquid Crystal Display
