Epson EB-5510

Brief Introduction Beta 2.5	The standard portable Epson EB-5510 LCD projector has 5500 ANSI lumens, a contrast ratio of 15000:1, and an XGA 1024 x 768 resolution. The projectors lamp has a rated lamp life of 10,000 hours, which would be over 13.7 years if viewed for 2 hours a day. It includes a lens shift and keystone correction function, which provides flexibility during installation. The projector can illuminate images up to 646 cm wide thanks to its 5500 ANSI lumens. The projector can handle rooms with residual light with a smaller image width; we would recommend a maximum of 431 cm. The projector can also play 1080P without any problems. Launched in 2016, this model is no longer available from the manufacturer Epson.
