

Epson EB-L720U

EPSON EB-L720U

The Epson EB-L720U laser LCD projector has 7000 Ansi lumens, a contrast of 2500000:1 and a WUXGA 1920 x 1200 resolution. Due to the laser, the projector is specified with 20000 hours of light life, which is over 13.7 years if enjoyed for four hours a day. The integrated media player allows files to be played directly. The horizontal and vertical keystone correction provides leeway when setting up. The projector can illuminate images up to 850 cm wide thanks to its 7000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 567 cm. The model is also Full HD 1080P compatible. Even projection onto the ceiling is possible thanks to the 360° projection. The model built in 2021 is no longer offered by Epson.

3 x 0,67" LCD TFT Panel
WUXGA 16/9 Liquid Crystal Display

Projector 7000 / 4900 im Eco Mode
2500000:1
