

Epson EB S31

EPSON EB S31

With the EB S31, manufacturer Epson offers a standard portable LCD projector with SVGA 800 x 600 resolution and a contrast of 15000:1. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with two hours of use per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. Horizontal and vertical keystone correction makes setting up the image childs play. 3200 Ansi lumens ensure that a picture width of 493 cm is also possible. However, if room light is available, the picture should be a maximum of 329 cm wide. The model built in 2015 is no longer offered by Epson.
