

Epson EH TW9200W

EPSON EH TW9200W

The high-end home cinema EH TW9200W 3D LCD projector from Epson has 2400 Ansi lumens, a contrast of 600000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Epson specifies a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. Including a lens shift and keystone correction function, which provides freedom during installation. 2400 Ansi lumens ensure that a picture width of 498 cm is also possible. However, if room light is available, the picture should be max. 332 cm wide. A smartphone with MHL connection can be connected directly to the MHL/HDMI port to perform 1080p / 60 Hz image mirroring (screen mirroring). Playing 1080P and 3D is also no problem for the projector. The projector was launched in 2013 and is no longer sold by the manufacturer, but is still a popular projector in our database.
